General

The Special District Supplement to the Statement of Assessment is designed to provide the Department of Revenue with information which it needs to meet its statutory requirements regarding metropolitan sewerage, sanitary and public inland lake protection and rehabilitation districts. Section 60.77(6)(b) of the Wisconsin Statutes requires the Department to certify annually the equalized values of sanitary districts (and the municipalities within them) to the various district commissions by November 1. Section 33.30(4)(a) requires the Department to certify annually the equalized values of public inland lake protection and rehabilitation districts (and the municipalities within them) to the various district boards by November 1. Section 200.13(2) requires the Department to certify annually the equalized values of metropolitan sewerage districts (and the municipalities within them).
